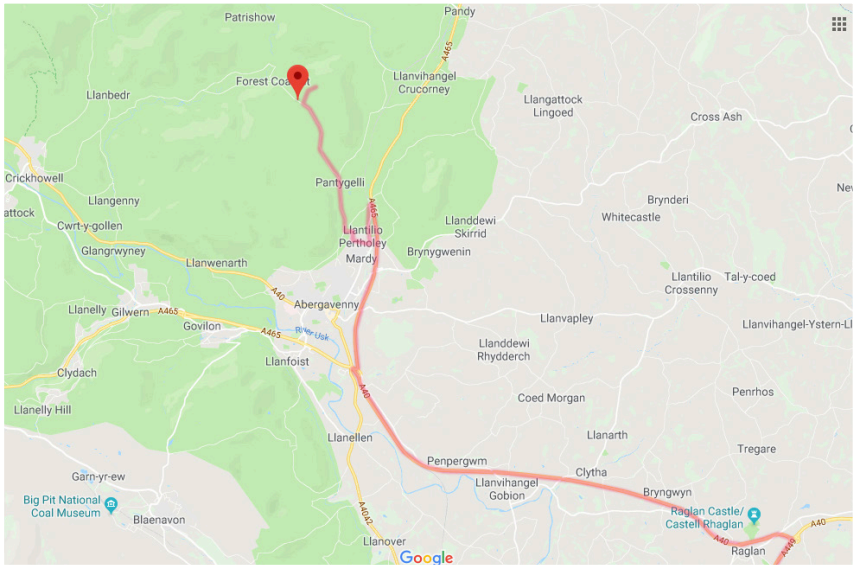
CABAN BRYN ARW
RHYD LANAU BARN
FOREST COAL PIT
ABERGAVENNY NP7 7LH
01873 890 243



FROM M4 / LONDON: Leave the M4 at Junction 24 and take the A449 north towards Monmouth.

At Raglan take the M40 signposted Abergavenny. After about seven miles at the double roundabout ignore the turning towards Abergavenny town centre and continue round then bear left towards Hereford on the A465.

After about three miles exit the A465 at the Mardy turn off (by Abergavenny Fuels depot) and then double back towards Abergavenny.

After approx 750m turn right at the small crossroads opposite St Teilos church and up the hill signposted Pantygelli and Bettws, with the small hospital to your right. Continue up the hill then take a sharp right followed by a sharp left and this takes you up to the Old Hereford Road.

Turn right at the T-junction. Just past the Crown Inn at Pantygelli and before Baileys Garage, turn left up the hill towards Bettws and Forest Coal Pit (the sign here is quite small but it's the only road to the left).

After approximately one mile is the hamlet of Bettws. The road to Caban Bryn Arw is the second turning on the right 600m after the wonky red old phone box (now housing a defibrillator!) so ignore the first turning to Middle Bettws and take the **second right** to Rhyd Lanau Barn and Caban Bryn Arw (there's a small sign here).

Go down the track and up the hill to find our house Rhyd Lanau Barn on the left and just 50m further on the **right** (past the farmhouse which is not our property) is Caban Bryn Arw. When the hedge is fully grown in the summer it can be hard to spot the hut but drive through the double metal gates (which will be open) and you'll see it. Park here. The key will be in the box to the left of the hut door.

NP7 7LH is the postcode centre, Caban Bryn Arw is shown on Google Maps. Home tel is 01873 890 243 but mobile reception is patchy past the Crown Inn. George and Carol Foster.
